10. Right frozen shoulder and bilateral rotator cuff tear

- for conservative management

11. Splenic flexure and descending colon colitis

- July 2016 (treated conservatively)

12. Chronic constipation

===relevant HOPC===

Pt came in with a shoulder cuff arthropathy & was scheduled to do her op on 31/8 but declined. Of note we noted she was slightly hypotensive and thus held off the nifedipine on 31/8. We have suspended her Telmisartan in view of the op but she has since remained normotensive.

Pls help to titrate her BP medications.

Thank you

SGH OTO HO

Nicholas Tan

On behalf of Dr Benjamin Ang

RE: Undertaking Agreement for FDW Entry Permit Approval and Work permit Application

I, Flora Groh Pang Huang, NRIC S1234892D
employer of FDW DeVince Salomi Manafe Yohannis.

I hereby authorized United Channel Service Pte Ltd, Lic. No. 11C4954 (Employment Agency) to submit Request for MOM's Entry Approval before the FDW can enter Singapore. In-view to the Covid-19 requirements implement by Singapore Gov't, I hereby acknowledge, fully aware and responsible to bear the cost mentioned below;

- FDW/Nanny's COVID-19 test (up to \$200 including GST).
- 14-day stay at the dedicated Stay-Home Notice (SHN) facility (\$1,500 including GST), if applicable.

However United Channel absorb 50% cost of SHN-14 days at designated facility by government upon arrival of the FDW.

Yours Sincerely,

Almaah
(Employer)
