While you can apply to enter the Sponsorship Scheme

there must be someone in Singapore who would sponsor you (a family member, friend, or employer) and they must be able to provide a letter of support for you to enter Singapore.

and the you can apply under the Citizenship
Scheme

After that, depending on the type of card, you will receive
a letter with details about the process for
naturalisation and the way to get the citizenship
to get the card and the way to get the card to get
with the card.
