Subject: [E0001] CAHYANI BT SUKRI USMAN(GXXXX950L) is allowed to enter Singapore between 28 Aug 2020 and 30 Aug 2020

Dear Sir/Madam

Your application for CAHYANI BT SUKRI USMAN(GXXXX950L)'s entry into Singapore on 29 Aug 2020 has been approved. This approval allows the foreign domestic worker ("**FDW**") to enter Singapore between 28 Aug 2020 and 30 Aug 2020. You must submit a new application if he/she is unable to arrive on the approved arrival dates. He/She cannot commence journey until he/she has received our approval to enter Singapore.

2. Please inform the FDW to show a print-out of this letter to the airline staff upon check-in before boarding the plane and at the Singapore Immigration & Checkpoints Authority's (ICA) checkpoint upon arrival in Singapore. Otherwise, he/she will not be allowed to enter Singapore and his/her pass may be revoked immediately. You must also ensure that the pass holder's work pass/in-principle approval is valid at the time of entry. Otherwise, he/she will not be allowed to enter Singapore.

3. You are required to pay for the 14-day Stay-Home Notice ("**SHN**") at a dedicated facility (\$1,500, including GST) and COVID-19 test (up to \$200, including GST) for the FDW. You will receive an email after the FDW's arrival in Singapore from 'no-reply@pay.gov.sg' containing a link and instructions for making payment using a credit card. You will need to make payment by 05 Sep 2020.

4. You must inform the FDW before his/her arrival that he/she will need to take a COVID-19 test before the end of the SHN period. Transportation will be arranged to send him/her directly from the immigration checkpoint to a dedicated SHN facility. The FDW will have his/her own room, toilet and be provided all meals, so that he/she can avoid physical contact with other individuals. During the SHN, **he/she will not be allowed to leave the dedicated facility**. The FDW shall not have visitors, and he/she shall minimise contact with others during the SHN period.

5. If the FDW left Singapore from 27 Mar 2020 despite the prevailing travel advisories, you will have to bear the full costs of his/her COVID-19 treatment at unsubsidised rates if he/she is admitted for suspected COVID-19 and develops symptoms within 14 days of returning to Singapore.

6. We will contact the FDW at the mobile number provided in the entry approval application. If his/her number has changed, please update it immediately.

7. Once the FDW arrives in Singapore, he/she will be served an SHN notice at the checkpoint. You must ensure the following:

- a. Explain and make sure that the FDW understands what he/she should do during the SHN period (see additional work pass conditions for imposition of SHN to be complied with by FDWs, as at **Annex A**).
- b. Ensure that a print-out of **Annex A** is given to the FDW and retained by him/her.

Yours sincerely
