Subject: [E0002B] NURHAYATI(GXXXX157R) is allowed to enter Singapore between 11 Nov 2020 and 13 Nov 2020

Dear Sir/Madam

Your application for NURHAYATI(GXXXX157R)'s entry into Singapore on 12 Nov 2020 has been approved. This approval allows the foreign domestic worker ("**FDW**") to enter Singapore between 11 Nov 2020 and 13 Nov 2020. You must submit a new application if he/she is unable to arrive on the approved arrival dates. He/She cannot commence journey until he/she has received our approval to enter Singapore.

2. You need to inform the FDW to take a COVID-19 polymerase chain reaction (PCR) test **within 72 hours before departure**. The FDW must present a valid negative test result, in English and from a recognised laboratory, upon check-in and at the Singapore checkpoint upon arrival. Otherwise, he/she may not be allowed to enter Singapore and you will need to [cancel this entry approval](#).

3. **Please inform the FDW to show a print-out of this letter to the airline staff upon check-in before boarding the plane and at the Singapore Immigration & Checkpoints Authority's (ICA) checkpoint upon arrival in Singapore.** Otherwise, he/she will not be allowed to enter Singapore and his/her pass may be revoked immediately. You must also ensure that the pass holder's work pass/in-principle approval is valid at the time of entry. Otherwise, he/she will not be allowed to enter Singapore.

4. **You are required to pay for the 14-day Stay-Home Notice ("SHN") at a dedicated facility (\$1,500, including GST) and any COVID-19 tests as required (up to \$200, including GST), even if the FDW does not arrive as planned.** You will receive an email within 3 to 5 days after the FDW's arrival in Singapore from 'no-reply@pay.gov.sg' containing a link and instructions for making payment using a credit card. You will need to make payment by 19 Nov 2020. If the FDW is unable to enter Singapore, you must [submit a request](#) to cancel the entry approval at least 5 days before the approved arrival date. Otherwise, you must pay the full costs of the swab test and stay at a dedicated SHN facility, even if the FDW does not enter Singapore.

5. You have requested for your FDW/nanny to share a room at the dedicated SHN facility with another FDW/nanny. Please note that this request is subject to the availability of twin rooms at the dedicated SHN facility and room allocation by the SHN facility operator.

To be considered, your FDW/nanny must submit the following to the staff at the dedicated SHN facility upon check-in:

- Printout of this email
- Completed and signed indemnity form. Visit www.mom.gov.sg/fdw-cn-share-room to download the form. You must explain all the terms of the indemnity form to her in her native language, if applicable

Otherwise, she will be assigned a single room and the default rate of \$1,500 including GST will apply.

If she is able to share a room, the cost of her stay will be \$1,000 including GST and will be shown in the payment link.

6. You must inform the FDW before his/her arrival that he/she will need to take a COVID-19 test before the end of the SHN period. Transportation will be arranged to send him/her directly from the immigration checkpoint to a dedicated SHN facility. The FDW will have his/her own room, toilet and be provided all meals, so that he/she can avoid physical contact with other individuals. During the SHN, **he/she will not be allowed to leave the dedicated facility**. The FDW shall not have visitors, and he/she shall minimise contact with others during the SHN period.
7. If the FDW left Singapore from 27 Mar 2020 despite the prevailing travel advisories, you will have to bear the full costs of his/her COVID-19 treatment at unsubsidised rates if he/she is admitted for suspected COVID-19 and develops symptoms within 14 days of returning to Singapore.
8. We will contact the FDW at the mobile number provided in the entry approval application. If his/her number has changed, please update it immediately.
9. Once the FDW arrives in Singapore, he/she will be served an SHN notice at the checkpoint. You must ensure the following:
- a. Explain and make sure that the FDW understands what he/she should do during the SHN period (see additional work pass conditions for imposition of SHN to be complied with by FDWs, as at **Annex A**).
 - b. Ensure that a print-out of **Annex A** is given to the FDW and retained by him/her.
 - c. Ensure that the FDW complies with the mandatory SHN period upon arrival in Singapore.
 - d. Ensure that the mobile phone prepared pursuant to paragraph 1 of **Annex B** is given to the FDW.
 - e. Inform the FDW to download the Homer mobile app and WhatsApp on his/her mobile phone to enable monitoring and video calls, respectively.
 - f. Ensure the FDW acts on the SMS sent by the authorities, which will be sent within 1 to 3 days of his/her arrival, asking him/her to download the Homer mobile app with the mobile number provided in the entry approval application. Ensure that the FDW has a thermometer to take and report his/her temperature 3 times a day using the Homer app.
 - g. Ensure that the FDW undergoes the COVID-19 related tests, as scheduled by the authorities. The FDW will be notified of the time/date/location of the appointment via SMS. Note that the 14-day SHN period may be extended until the FDW is notified of his/her test results. If the FDW does not receive any SMSes or calls on the appointment for the swab test by the 10th day, he/she should inform MOM at mom.gov.sg/feedbackshn. Failure to go for the tests as scheduled may result in an extension of the SHN period. His/Her pass may also be revoked.
 - h. Arrange for non-emergency medical needs (such as rescheduling follow-up visits for chronic conditions, refilling of prescription, etc.) so that the FDW need not leave the facility during the SHN.
10. You have a joint duty with the FDW to ensure that he/she completes the mandatory 14-day SHN and behaves responsibly during the SHN, in line with any advisories (as amended from time to time) issued by the Government of Singapore. If you are unable to discharge your duties, you should not arrange for your FDW to enter Singapore during this time.

11. The Government of Singapore will not hesitate to take enforcement measures against employers or FDWs who do not comply with the requirements in this letter, gave false information or documents, including commencing criminal proceedings, revoking work passes and/or withdrawing work pass privileges.

12. Pursuant to section 7(4A) of the Employment of Foreign Manpower Act ("**EFMA**"), the additional conditions in this letter and at **Annex B** are imposed on you, an employer of a foreign employee who is domestic worker issued with work permit or in-principle approval for work permit.

13. All terms used in the additional conditions are to be complied by the Employer and the attached new conditions to be complied by the FDW shall have the same meaning as defined in the EFMA and its subsidiary legislation.

Yours sincerely
