Your helper's card will be delivered after we verify the documents

Dear KOK KUM LEE

Your helper's new work permit card is almost ready. MOM will deliver it within five working days, after we have checked the documents submitted.

There is a letter attached that you need to give to your helper. It acts as a temporary work permit while you wait for your helper's new permit.

The card will only be handed over to the recipients whom you have named, and only if they show a photo ID. We will send them an SMS one working day before we deliver it. Your helper's new work permit has a QR code which will display her work permit details when scanned using the **SGWorkPass App** (refer to the guide attached for more details).

MOM is unable to accept requests to change delivery times. However, if we fail the first time, we will try to deliver the card again a few days later — we will send them another SMS. If we are unable to deliver after two attempts, you will be asked to collect the card from the MOM Services Centre in Bendemeer.

You can check the status of your delivery through Work Permit Online. Go to Enquire > Card Delivery / Collection Status.
